**Guidelines for Recommending Park Names**

There is no limit to the number of entries an individual may submit, but all suggestions must be submitted separately (only one park name per entry).

- A. The geographic location of the facility; this includes descriptive names.
- B. An outstanding feature of the facility.
- C. An adjoining subdivision, street, school, or natural feature. No park shall be given the same name as an existing school site or public facility, except where the sites abut one another.
- D. A commonly recognized historical event, group, organization or individual (living or deceased).
- E. An individual or organization that contributed significantly to the acquisition or development of the facility to be named. This can include either a deed or substantial monetary contribution, or contribution toward acquisition and/or development of the park or park facility (typically not less than 50 percent of the value of the property or improvements)
- F. Outstanding accomplishments by an individual for the good of the community. Quality of the contribution should be considered along with the length of service by the individual – this to be fully substantiated by person making recommendation.
