Audio/Visual Update, Restored CATA Service, New Play Equipment Coming to Greenbriar-Saybrook Park, and More!

Township Implements Cisco Webex Video Conferencing Platform as Part of Audio/Visual Update

For added security and management of virtual access to public meetings, Ferguson Township has implemented Cisco Webex.

Webex is a web-conferencing tool that makes it easy to join public meetings from your phone or computer.

Visit the Township's Webex User Guide for detailed instructions on how to register for and join meetings.

New Play Equipment Coming to Greenbriar-Saybrook Park

The play area at Greenbriar-Saybrook Park is currently inaccessible for the removal of old equipment and the installation of new play equipment with a poured in place rubber surface. The rest of the park will remain open to the public through the duration of the project, which is anticipated to be completed in the spring of 2024.
