#### Note:

- Traffic Stops may not include pre scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).
- Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared.

  These include arrests made at the time of the incident as well as those filed after an extended investigation.

#### **Department Notes:**

- Three individuals, a 48-year-old female, 47-year-old male and a 45-year-old female, were arrested for fraud involving a check cashing scheme.
- A 28-year-old male was arrested for Invasion of Privacy. He placed covert cameras throughout the apartment, including bathroom and bedroom, to secretly recorded his roommates.
- A 21-year-old male was arrested for Terroristic Threats and Simple Assault after threatening and assaulting his girlfriend.
- Detectives are investigating an employee theft at a local veterinary clinic. The amount exceeds \$30,000.

- Detectives are investigating a church burglary. Suspect(s) stole electronic equipment with a value of approximately \$5,000.
- Cpl. Jeff White, Officer Dan Lewis, Officer Skyler Ososkie, Cpl. Brian Rose, Officer Kevin Laudenslager and Officer Lauren Neely assisted State College Police with the shooting events at PJ Harrington and Tussey Lane.
- New Records Management System up and running. We are learning the system and its
  capabilities. The new system downloads basic crime information to
  www.communitycrimemap.com. Not all events are reported to the mapping system. In highly
  sensitive incidents, victim safety and privacy is paramount. A link will be created on our web
  page.

#### **Community Relations:**

- Officers continue to conduct Run Hide Fight training at various schools.
- Conducted a station tour.
- The Ferguson Township Elementary School Crossing Guard has been unavailable for several weeks, so officers have been performing the crossing guard duties.

JOHN F. GARDNER Chief of Police

February 6, 2019

Ferguson Township Police Department Chief Chris Albright 3147 Research Drive State College, PA 16801

Dear Chief Albright,

On behalf of the State College Police Department, I wanted to extend my sincerest appreciation for the action, assistance and support of your agency during the critical incidents on January 24, 2019.

As the night quickly unfolded and one scene became two, then three, State College officers responding were aided by your department and others throughout the Centre Region, a true testament to the exceptional relationship our agencies share. Without hesitation or request, your officers placed themselves along side State College officers, willing to do what ever was necessary.

Despite the expeditious end to the threat, your personnel were diligent and professional, providing the help our command staff and detectives needed during the most dire of circumstances.

Please pass along my gratitude to Dan and Skyler. Job well done.

Sincerely,

JOHN F. GARDNER CHIEF OF POLICE
