Note:

- Traffic Stops may not include pre-scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).
- Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- Officers investigated a residential burglary. Cash and jewelry were stolen. The investigation is ongoing and detectives have developed a suspect.
- Officers investigated a commercial burglary. The suspect caused approximately \$1000 in damage entering the building. Detectives have a suspect in the crime.

Community Relations:

- Officers participated in the Hometown Hero's Event at the State College Spikes game.

- Officers were part of the annual 4th of July Stonebridge Parade.
- Officers conducted a threat assessment at a charter school. The assessment outlined strengths and weaknesses.

Letters of Appreciation

- Detective Josh Martin and Detective Caleb Clouse received a letter of appreciation from the Federal Bureau of Investigation. Their outstanding work lead to the arrest of two men involved in the SPE Bank Robbery.
- The Centre County District Attorney's Office commended Detective Caleb Clouse and Officer William Chambers for their work associated with a domestic violence incident. In summary, the woman was violently attacked by her boyfriend. She was punched, bitten and stabbed. Fearing for her life, the victim was initially reluctant to provide a full account of the events. Through hard work, professionalism, compassion and dedication to the woman's safety, the officers were able to build a case against the victim's abuser. Combined with the victim's strength to face her abuser and the contributions of each officer, the abuser received a 6 to 12-year sentence in a state correctional facility. I am truly proud of their actions!!
