Note:

- Traffic Stops may not include pre-scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).
- Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

Department Notes:

- A drug overdose lead to an investigation into the source of the drugs. Officers recovered a variety of drugs and drug paraphernalia. The victim of the overdose is ok. The investigation continues.
- An individual purporting to be an IRS Agent called a 21-year old Penn State student claiming she owed back taxes. The student paid the suspect \$600 using Google Play cards.
- A 78-year old woman was contacted by an individual claiming to be her grandson. The suspect told the woman he was in trouble and directed her to

purchase \$2,000 in gift cards. The transfer could not be stopped but the business refunded the money to the victim.

- A 20-year old male was arrested and charged with Simple Assault and Harassment for assaulting his girlfriend.
- A 32-year old male was arrested and charged with Simple Assault and Harassment for assaulting a male acquaintance.

Community Relations:

- Officer Travis Park, Officer Lauren Neely and I participated in the Know Your Rights event hosted at the Hub.
- Officers conducted Run Hide Fight training and drills at several schools and businesses.
- Sgt. Ryan Hendrick and Sgt. Shawn Morrison assisted with presentations at the Citizen's Police Academy. The presentations included crime scene processing, emergency vehicle operation and control and impaired driving.
- Officers contributed \$20 to participate in "No Shave November." The police officer's association matched the individual contributions. \$800 was given to local charities.

I apologize as I don't recall the names of the officers who responded, but I simply wanted to thank them. Several officers responded to my call on Saturday night/early Sunday morning when someone entered and wouldn't leave my apartment. I was home alone and woke up terrified to the sound of someone banging on my door. While it was a minor issue especially compared to some of the others you see on a weekly basis, I couldn't be more appreciative. An officer responded within seconds after hanging up with the 911 operator. Every officer was very kind and compassionate to me, my needs/concerns, and the entire situation. I truly can't say enough kind words about all those that helped. Thank you for all you do for this community! Know that it hasn't gone unnoticed and it is appreciated more than you realize.

Sincerely,

Officer in charge -

Last Friday afternoon 11/16, two of your officers, Shawn Slater & William Chamber came to my rescue to help with an escalating neighbor dispute.

I just wanted you to know how curious & professional these two men performed their duties. Actually - they went above & beyond what I thought they would or should have done - I commend them & so should you. -

They are fine men & I'm so happy to have them part of the Ferguson Twp. police department.

11/18

It's easy to be green!

Happy Holidays

A blessed holiday
to all -

Thank you,

N [REDACTED]
