Chief Chris Albright
Ferguson Township Police Department
3147 Research Drive
State College, PA 16801

Dear Chief Albright,

I had the need to contact your police department on Friday evening, October 25, 2019 asking for assistance to check on my uncle, Don [redacted] residing at [redacted] N. [redacted] Street. He hadn't been returning phone calls to his/our cousin which was out of character. I am Don [redacted] niece and his closest relative.

Once at the house, Corporal White contacted me regarding the necessity to break in. He was professional and caring about the impending damage to gain access. Given the OK to proceed (by me), he entered the house and found my uncle dead in an upstairs bathroom. I am assuming based on my amateur detective skills that he died some time on Tuesday; it was now late Friday night and it couldn't have been a pleasant sight/smell.

It fell to Corporal White to contact me to advise of his findings. He apologized for the method of notification and was extremely compassionate. My uncle had no known health issues he mentioned so this was disturbing and unexpected news. Corporal White is to be commended for his demeanor exhibited that evening towards a niece who had just finished a twelve hour shift and was very tired and now very stressed. Be proud of his performance! We're apt to tell when something doesn't make us happy; I wanted you to know about the great job!

Kind regards,

Margy
