Request for Information Response 2018-C20 Park Hills Drainageway September 8, 2023

Introduction:

To respond to Requests for Information (RFI), Ferguson Township is providing this information for prospective bidders to use in preparing their bids for Contract 2018-C20 Park Hills Drainageway.

Requests for Information and Responses:

1. **Will the Owner be releasing the CAD file for bidding?**
 - a. Yes – CAD files are available to prospective bidders. Due to the file size, a OneDrive link to these files is included in the e-mail transmission of this response to RFI. Two zip files are provided. One contains the rx-base CAD file with all other files XREFed as attachments. The other zip file has all individual CAD files that can be XREFed as you desire using the following settings.

These CAD files are being provided for the sole purpose of assisting in preparing bids. The official plans for use in preparing bids and the contract are the PDF form of the complete drawing set. If you have any questions on the files, please advise.

2. We respectfully request a week to 10-day extension of the bid date.

- a. Addendum number 1 includes a revision to the bid opening date. The new date and time that bids are due and bid opening is Tuesday October 3, 2023 at 2:00 PM.

Addendum No. 1 is issued September 8, 2023, and is included with the email that transmits this response to RFI 1. With the revised bid opening date, the last date to request information that will be included in a bid addendum is Friday September 22, 2023, for any potential addendum to be issued by Wednesday September 27, 2023.

End of responses to RFI 1.

Respectfully submitted,

Ronald A. Seybert, Jr., P.E.
Township Engineer
