Ferguson Township to Hold Picnic in the Park to Celebrate Parks and Recreation Month

Ferguson Township, Centre County, PA – Ferguson Township invites the public to visit Tom Tudek Memorial Park from 12:00 p.m. to 2:00 p.m. on Friday, July 28 for Picnic in the Park. An afternoon with a food truck, police cruiser tours and photo props for fun photo opportunities.

Picnic in the Park is a casual event to wrap up Parks and Recreation Month in Ferguson Township. An event for the entire community, Picnic in the Park is a way to bring people and nature together for an afternoon in the park. Stop by to show support for local food trucks, Ferguson Township and the Ferguson Township Police Department.

Tom Tudek Memorial Park is located at 400 Herman Drive, State College, and is one of the 12 municipal parks within Ferguson Township. The park offers amenities such as walking paths, a dog park, sports courts and fields and a butterfly garden.

Parks and Recreation Month occurs every July and encourages communities to come together through parks and their recreational amenities. This year's Parks and Recreation Month theme, "Where Community Grows," celebrates local park involvement in community growth, and acknowledges those who work hard to maintain them.

Picnic in the Park is an easygoing, come and go as you please event. Pavilion 3, located closest to the playground, will be accessible with picnic tables. Grab lunch and spend the afternoon in one of the Ferguson Township parks.
