Ferguson Township to Implement New T2 Parking Management System

Ferguson Township, Centre County, PA – On March 14, 2023, Ferguson Township's new mobile-friendly parking ticket and permit management system will go live. T2 Systems will provide the Township with the tools and technology needed to manage parking and mobility while its real-time citation data will allow customers to pay for a ticket, view photos related to their citation, and submit appeals from their mobile device. Additionally, all Township issued parking permits will be registered in T2 Systems.

Both homeowners and tenants parking in areas of the Township that require parking permits are requested to register their vehicles with the new T2 System by March 31, 2023. Once your car is registered, there is no need to display a permit in your vehicle's window.

There is a first time parking permit fee of $15.00. Homeowners are required to renew their permit annually in the T2 System for free. Tenants are required to obtain a parking permit annually for a fee of $15.00.

Visit Ferguson Township's T2 System site at www.tocite.net/twpferguson/Portal to register a vehicle for a parking permit or pay a ticket.

Please note that the Township will still accept payment in-person by cash or check at the Ferguson Township Municipal Building.
