## Ferguson Township to Hold Second Public Input Meeting on Terraced Streetscape District Rewrite

**Ferguson Township, Centre County, PA** – Ferguson Township invites the public to attend a meeting at 6:00 p.m. on Wednesday, March 15 to discuss and provide feedback on the Terraced Streetscape District Rewrite (TSD) project. Mackin Engineering will be presenting to the public input heard thus far during the process.

The TSD is a mixed-use corridor along West College Avenue (State Route 26) from the boundary of State College Borough (Buckhout Street) to the intersection of Blue Course Drive. This district provides for a mix of commercial and residential uses meant to be promoted at a pedestrian scale. While the rest of the Township has experienced significant development over the last decade, the TSD has not developed as envisioned.

The meeting will take place in a hybrid format. In-person attendees may join at the Ferguson Township Municipal Building located at 3147 Research Drive, State College. Those who wish to join virtually can join via Zoom at <https://us02web.zoom.us/j/88069805109>.

For more information about the TSD as well as an overview of previous meetings and updates on this zoning rewrite project, please visit [www.twp.ferguson.pa.us/TSDRewrite](http://www.twp.ferguson.pa.us/TSDRewrite).
