

RESOLUTION NO. 2003-32

A RESOLUTION OF THE TOWNSHIP OF FERGUSON, CENTRE COUNTY, PENNSYLVANIA, ESTABLISHING SPECIFIC REQUIREMENTS FOR DIGITAL FILING OF SUBDIVISION AND LAND DEVELOPMENT PLANS.

WHEREAS the Board of Supervisors has adopted a Zoning Ordinance and a Subdivision and Land Development Ordinance wherein the Board of Supervisors has established a requirement to submit final approved plans in a digital format,

WHEREAS the Township has partnered with Centre County to maintain a geospatial information system data base through a sharing of information to maintain the data base with current information,

WHEREAS engineering firms and land surveying firms have utilized computer design software for several years to prepare subdivisions and land development plans for approval by the Township. The use of computer design software is now an industry standard and providing plans and plan details in a digital format to the Township will assist keeping the geospatial information system data current.

Section 1. Specific Requirements for Digital Filing:

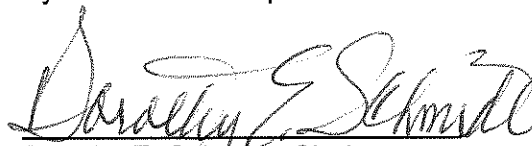

Media - 3.5 inch floppy disk(s) or CD(s)
File Format – ArcView Shapefile, ArcInfo Coverage, AutoCad DXF
Coordinate System – Pennsylvania State Plane North
Units – U.S. Survey Feet
Datum – NAD83

Applicants who are unable to provide their plan in digital format will be required to pay a fee in accordance with the Township's fee schedule to have this completed by the Township.

Section 2. NOW THEREFORE, the Ferguson Township Board of Supervisors resolves to establish the following digital filing requirements for all subdivision and land development plans filed after the date of adoption of this resolution.

Section 3. Resolved this 8th day of December, 2003.
