Note:

- *Traffic Stops may not include pre scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).*
- *Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.*

Department Notes:

- Officers responded to a reported gunshots outside of an elementary school. Officers responded with SCPD and quickly placed the school on lock down and secured the permitter. After investigation it was determined there was no gunshot or threat.
- Officers continue to get numerous scams. The publishers clearing house scam is increasing this past month. Residents are reminded to not trust a email, phone call or letter received without verification.
- A 24 YOM was arrested for DUI after a single vehicle no injury crash. Additionally, a 21 YOF was arrested in a two vehicle no injury crash.

- A 50 YOM was arrested for DUI, Disorderly conduct, and harassment. The male threatened a clerk at a convenience store for not selling him beer because he was visibly intoxicated. He left and later returned shortly after continuing to yell and threaten store clerks. An officer was on scene investigating the initial call and arrested the male who was uncooperative with officers. The male was placed in jail on \$5,000 straight bail.
- 25YOM was arrested for retail theft. This subject was also charged in several other jurisdictions for similar retail thefts.
- Officers assisted with 80 medical calls and 6 fire assist calls in the month of January.

Investigations:

- Detectives are investigating six separate burglaries. One of them was a commercial building. Two others are in residential student housing. One of students housing burglaries reports over \$40,000 in items stolen from their residence. The largest theft during a burglary was from a safe that was removed from a house. The safe had a large amount of cash in it.
- Detectives are investigating three separate reported sexual assaults.
- Detectives investigated two separate child line reports. Both were determined to be unfounded allegations.

Community Relations:

- Ferguson Township hosted a Crisis Intervention Team training for police officers throughout the state. CIT training is an excellent for all officers to better learn the mental health system, ways to deescalate a person in crisis and the network with other individuals in the field.
- Officers conducted Run/Hide/Fight drills at four schools this month. After each drill no corrections were needed by students or staff as they had all acted in accordance with their training. This is an indication the continued training is working.
- Chief Petrick participated in a coffee and conversation on Saturday Jan 21st. Several patrol officers also participated.

Officer Devon.

Thank you for teaching
me about how the police
use Science and Math. I loved
taking my fingerprints and
seeing your car. I also love
my new puppy. Everyone was
so nice. Thanks for being a
hero.
