2024-C1 NIXON ROAD PAVING PROJECT

STREET: Nixon Road from Whitehall Road north approximately 1 mile

PROJECT DESCRIPTION:

This project involves the following improvements to the street:

- Repair base pavement as needed.
- Place scratch and leveling course of pavement.
- Place final wearing course of pavement.
- New pavement markings and long lines.
- Shoulder backup and topsoil/seeding.

There will be delays during all phases of construction, but one lane of traffic will always be open.

SCHEDULE: Construction is anticipated to be completed in the summer of 2024.

CURRENT ESTIMATED CONSTRUCTION COST: \$409,730 (Budget = \$471,000)

Questions can be addressed to Ryan Scanlan, rscanlan@twp.ferguson.pa.us. Comments to be provided by February 20, 2024.
