Happy New Year from Ferguson Township!

"2019 was a year of accomplishment for the Township. Many hours of hard work from staff, the Board of Supervisors, appointed officials and input from our community-minded citizens concluded initiatives such as updating and modernizing Ferguson Township's Zoning and Subdivision and Land Development ordinances, the Northland Area Transportation Mobility Study and the Pine Grove Mills Small Area Plan.

As exciting as 2019 was, this year promises to bring even more. This year, the construction of the new Public Works Maintenance Facility and the conclusion of the renovations to the Municipal Building will set the stage for projected growth for decades to come. Thank you for all you do to make Ferguson Township a special place to live!"

-- Dave Pribulka, Township Manager

It's the duty of every driver to slow down on seeing a school bus. When you see a bus stopped with its yellow lights flashing, a child's life is flashing before your eyes. Please slow down and stop. ow.ly/Gdyi50wvix2
