Note:

• Traffic Stops may not include pre scheduled selective enforcement details where two or more police vehicles are assigned for specific enforcement purposes (such as Aggressive Driving Grant details).

• Criminal Arrests are the number of people arrested, not the number of charges, counts or cases cleared. These include arrests made at the time of the incident as well as those filed after an extended investigation.

## **Department Notes:**

- Officers continue to work with Centre County Mental Health professionals on a daily basis. Most recently a Ferguson Twp resident has tried on more than one occasion to provoke suicide by cop situations stating he has a gun and is going to kill people.
- Officers assisted PSU Police with an event on campus. Ferguson Officers continue to assist PSU police at all football games. This co-operation with PSU is needed from all local agencies to assure the safety of all of those in attendance.

• Officers investigated a vehicle crash in which a 28 YOF lost control of her vehicle and went off the roadway into a house. She had a medical emergency while driving but only sustained minor injuries from the crash. The house had major damage done to it, but no one was injured inside of the house.

### **Investigations**

- Detectives are investigating the death of a 48 YOM who is a State College resident. Initial investigations indicated that it was a suicide.
- Detectives investigated a case in which a dog sitter was issued a bad check for her services.
- Detectives investigated a reported sexual assault of a juvenile. This investigation was unfounded.

### **Community Relations:**

- The Police department was present at the Coffee and conversation on Saturday Oct 15<sup>th</sup> which was well attended with many good group and individual conversations.
- The Police department assisted at a community event at a Ferguson Twp car dealership. The event was well attended and officers conducted car seat checks and interacted with members in attendance.
- Officers attended several daycares interacting with students, staff and parents.
- Officers handed out glow sticks on Trick or Treat night to help make kids that were Trick or Treating more visible. Prior to Trick or Treating we had each school in Ferguson Two hand out a glow stick to each student, again for them to be visible during trick or treat.
- Officer continued to participate in the Citizens Law Enforcement Academy. Graduation is scheduled for Monday Nov 7<sup>th</sup> and will graduate 14 community members who now have a better understanding of law enforcement and what its like to be an officer.
