

Dear Tonya,

Thank you for welcoming us into your inbox. Here is your April 2015 issue of the Ferguson Township e-Newsletter.

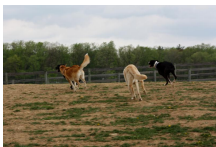

Brush and Leaf Collection services have resumed

Brush and Leaf Collection services throughout Ferguson Township have resumed and a **Special Brush Collection will begin Monday, April 20.** The Township Public Works Department provides regular collection services the first Monday of the month, unless it falls on a holiday. Brush and leaves

for collection need to be curbside at 7 am that day. Keep in mind that it will take approximately a week to complete collection services throughout the Township. Crews will collect leaves on a daily basis and continue to do so as long as necessary. For the most up-to-date information about Brush and Leaf Collection, call the Township offices at (814) 238-4651 and press option "4." [Learn more...](#)

Tudek Dog Park turfgrass renovations begin April 13

Dogs and their owners have so loved the Tudek Dog Park that it shows. Its popularity with residents --combined with the extreme weather we experienced this past winter and excessive mud--has created a need for the Centre Region Parks & Recreation staff to reseed, mulch and restore the park's "Larger

Dog" area. The "Larger Dog" area will close when turfgrass renovations begin Monday, April 13. [Learn more...](#)

Watershed Clean-Up Day is April 25

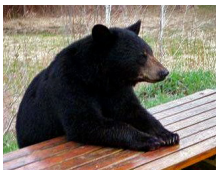

The 19th Annual Watershed Clean-Up Day--organized by [ClearWater Conservancy](#)--is 8 am to noon on Saturday, April 25. Hundreds of local volunteers will clean up streams and roadsides. On Monday, April 27, Ferguson Township's Public Works crew will help pick up bags of roadside trash that volunteers will be collecting as part of Clean-Up Day and taking them to the Centre County Recycling and Refuse Authority. To learn more or volunteer please contact Lori at 237-0400 or lori@clearwaterconservancy.org

Save the Date: Household Hazardous Waste Collection

Mark your calendar on May 1 and 2 for the Centre County Recycling & Refuse Authority's Household Hazardous Waste Collection Event. Bring your insecticides, weed killers, pool chemicals, cleaners, poisons, corrosives, flammables, oil-based paints, CFL bulbs, fluorescent tubes and most other hazardous household chemicals for safe disposal at the CCRRA at 253 Transfer Road near the Nittany Mall off Route 26. [Learn more...](#)

If you see a bear in the Township: What to do

Looking for more signs of spring? Hungry bears have come out of hibernation and are feeding on bird seed, suet, hummingbird nectar, food scraps and pet food. The [Pennsylvania Game Commission](#) recommends bringing your feeders in at night, securing your trash cans, and keeping your grills and yards clean. Last year, Ferguson Township Police responded to approximately 16 calls about nuisance bears in our neighborhoods. [Read more...](#)

Police patrols enforce laws designed to keep you safe

When warmer weather comes, drivers seem to want to go faster, and very often ignore signs in areas that require you to slow down. No longer having to be wary of winter weather conditions means drivers are speeding up rather than slowing down. If you're seeing more police cars during your commute, be mindful that police are watching drivers closely this time of year to help prevent accidents, keep drivers and their passengers safe, and educate drivers about saving

Survey Opportunities: COG wants to hear from you about bicycling and organics recycling

The Centre Region Council of Governments (COG) is developing a "Regional Bike Plan" to identify and evaluate bicycle needs in the Region. Residents are encouraged to share your thoughts and ideas about bicycling in the Centre Region. [Take the survey](#). [Learn more...](#) COG also is exploring the option of developing an Organics Recycling Program, which would allow current refuse customers to recycle yard and food waste.

[Take the survey](#) and learn more about Organics Recycling. [Read more...](#)
